# ABOUT LA GIOCONDA

La GIOCONDA, built in 2009 and refitted in 2021, seamlessly combines exterior balance and simplicity with refined interior elegance. As part of the distinguished Maiora 35DP line, she showcases the brand's hallmark of sleek styling, performance, and onboard comfort. Constructed from composite materials, she offers spacious interiors and generous exterior decks for relaxed cruising.

Crafted by the Italian shipyard Maiora, La GIOCONDA reflects the excellence of Italian naval engineering and design. With accommodation for up to 10 guests and 6 crew members, she delivers a luxurious and smooth yachting experience on the open sea.
