

O' LION

| ABOUT O'LION

O'Lion, built in 2010 and refitted in 2023, seamlessly blends external balance and simplicity with refined interior elegance. It is the fifth hull in the Navetta 43 displacement line, crafted from composite material, boasting spacious indoor areas and ample outdoor spaces. Produced by the Ancona shipyard, the project was a collaboration between CRN's technical and design offices and the Studio Zuccon International Project. With accommodation for 10 passengers and 9 crew members, it offers luxurious living on the sea.
