

MIKEL ANGELO

SUNSEEKER 76'

MIKEL ANGELO OVERLOOK

THE PERFECT DAY CHARTER YACHT

Performance, style and space – MIKEL ANGELO is unmistakably Sunseeker from the exceptional sea-keeping of the very latest deep-V hull design to the class leading space throughout her beautifully appointed decks – this incredible new yacht is without doubt the new benchmark for her class.

For life ‘al fresco’ her exterior decks provide unprecedented levels of space and flexibility that can be adapted to suit any needs. On the flybridge choose a spa tub, an allocated spot for your jet-ski or additional sunbeds to maximise the space as you wish. Complement the superyacht feel with any number of layouts including the installation of a cocktail bar.

MIKEL ANGELO’s impressive layout continues out on the foredeck, where again space is maximised and large twin sunbeds, fore/aft seating and optional refrigeration ensure this a highly sociable area too.
