Hull Construction: Steel

Hull Configuration: Displacement

Air conditioning, Deck Jacuzzi, Gym/exercise equipment, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

The 50 meter trideck displacement superyacht 'joyMe built by PHILIP ZEPTER in 2011 offers accommodation for up to 12 guests in 6 in-suite air-conditioned comfortable cabins and has crew quarters for 11 crew members. Each compartment of space within the yachts interior was treated as a separate entity with its own story and philosophy, benefiting from its own atmosphere, communicating different emotions and feelings to its guests. She has a cruising speed of 11 knots.

The interiors of 'joyMe make her a floating piece of contemporary art, and the story begins on the main deck. The

first part of saloon has being designed as the lounge area whose extension is the cockpit. Once you look deeper in the exteriors - you will be able to recognize her soul. A soul that stands out amongst even the most luxurious yachts.

The exterior areas are easily accessible and connected by large corridors. Many charming places on the open air invite you - from stern cockpit to the small sun pad in the bow tip, from the pool area to Portuguese bridge seating lounge. The joyful colors and comfortable, ergonomic seating give a hard choice on where you will want to enjoy more.

Onboard there are endless entertainment opportunities for everyone with 3.5 meter Jacuzzi and sky lounge especially attractive in the evening. The Gym, Finnish sauna & Hammam SPA with sea view and lots of water toys which provide the full charter experience.

Friends and family can fully enjoy their stay on the MY JOY ME and feel right at home with an exclusive touch.
